

IMPORTANT INFORMATION

DEPOSIT: A £50 deposit will be due at the time of booking to secure your slot on bookings under £200. Bookings over £200 require additional deposit. You can pay this via our booking system. Please note that the deposit paid is non-refundable. If the party is cancelled more than 48 hours before the party and re-scheduled for another date, then we will be more than happy to do this providing we have space. If the party is cancelled after 48 hours, then this will incur a charge depending on the size of the party.

INVITES: Attached with the information pack is a template for you to print out as many invites as you require.

FOOD: There are currently two options for food and these have been carefully selected through popular demand, these options are detailed in this information pack.

WHAT TIME TO ARRIVE: We request that the party host arrives 15 minutes prior to the booked time to ensure they are there to greet their guests and that you request your guests arrive 10 minutes prior to the booked time slot to ensure that your harness and briefing session starts on time. Latecomers may be asked to sit in the next available brief, therefore missing out on climbing time.

CHOOSING YOUR FOOD

It is important for the Café team to make sure the food is top quality, tasty and all around amazing. All the food is freshly prepared on the premises with all of the ingredients sourced as local as possible ensuring that the food is fresh, hot and ready to go.

IT'S TIME TO CLIMB

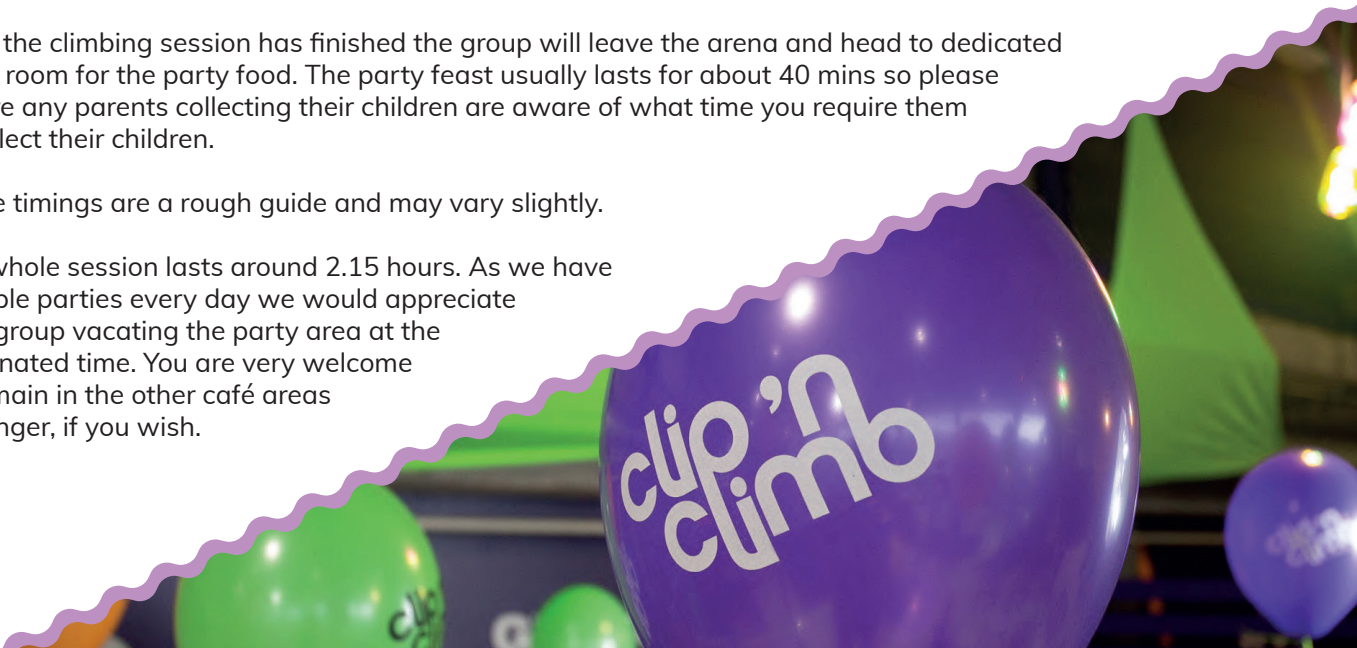

This page is set out to help you organise the day and to ensure all your guests arrive on time for your party.

- **THE PARTY HOST** – Please arrive 15 mins before session to ensure you are here to greet your guests
- **THE GUESTS** – Please ask your guests to arrive 10 mins before session so we can get them all booked in and ready for their briefing and harnessing session on time.
- **SESSION START** – We always aim to start the sessions on time so please ensure everyone arrives in plenty of time for us to start our safety briefing on time.
- **SPECTATORS** - Are very welcome. Our café is located on our mezzanine, which has great viewing and a soft play area for under 4 's.

Once the climbing session has finished the group will leave the arena and head to dedicated party room for the party food. The party feast usually lasts for about 40 mins so please ensure any parents collecting their children are aware of what time you require them to collect their children.

These timings are a rough guide and may vary slightly.

The whole session lasts around 2.15 hours. As we have multiple parties every day we would appreciate your group vacating the party area at the designated time. You are very welcome to remain in the other café areas for longer, if you wish.
